For reference, copies of these documents are attached, together with the postcard receipts evidencing the filings. Also attached is a copy of a receipt* mailed to undersigned counsel by the USPTO on May 20, 2005 acknowledging receipt of the Certificate of Correction.

Based on data from the USPTO PAIR database, post issue communications were issued dated June 1 and June 2, 2005. However, copies of these documents have not been received by undersigned. The PAIR database further appears to indicate that the new correspondence address provided in the Supplemental Declaration has not been entered.

It is therefore requested that copies of the USPTO communications of June 1 and 2, 2005, be forwarded to counsel at their current address. For convenience, attached is completed form PTO/SB/123, captioned for the subject patent.

Further it is noted that the PAIR database does not contain reference to the Petition to Correct Inventorship and supporting statements. Early and favorable action on the Petition is solicited.

Respectfully submitted,
